

## **Dairy Block Fitness Center Guidelines**

To ensure the Fitness Center provides an enjoyable and safe experience for everyone, we ask for your cooperation in observing these guidelines so that we can maintain a clean, safe and healthy environment in the fitness center.

- Use of the Fitness Center is made available to Dairy Block office tenants and hotel guests only. No guests may visit or use the facility.
- Users under the age of 16 must be accompanied by an adult.
- No food or beverages (other than water bottles) are permitted in the Fitness Center.
- Appropriate exercise attire must be worn when using the Fitness Center. Socks and shirts are required at all times. No cut off clothing, street shoes, work shoes or open-toed shoes.
- Use safety devices to secure weight to bars and weight stacks; collars, spring clips, selector pins, clevis hooks, etc.
- Use assistance, spotter(s), and a secure weight belt when lifting maximum weights
- Control your weight – do not allow the weight to control you. Use the equipment the way it was designed to be used.
- Do not drop weights. Check the weight loaded on both sides of the bar.
- Observe a reasonable time limit on each apparatus to accommodate all users.
- When finished, return weights to their proper racks, strip bars, replace weight plates on weight trees and re-rack dumbbells.
- Lockers are for day use only while you are working out. Do not leave any personal belongings in locker overnight. Do not put locks on lockers overnight.
- Consult a physician prior to starting an exercise program.
- Use of the “Fitness Center” and its equipment is at your own risk. Landlord, Landlord affiliates, Owner, Owner affiliates and property management assume no liability for injury or accidents, or lost or stolen articles.
